NEWSLETTER

In this newsletter, you will find updates on the recently released **Participant Survey**, the **Project Advisory Committee**, and other **upcoming activities**.

CCB's Participant Survey is Now Available

On September 22, CCB launched our online Participant Survey. Your responses to the Survey will allow us to better understand Participants' capacity, areas of special focus, and where each might best engage in and benefit from participation in CCB's DSRIP initiatives.

If you have any questions about the Survey or need assistance in completing it, please contact our support team at (718) 355-9693 or support@CCBrooklyn.org.

Completed surveys are due Wednesday, October 7.

Project Advisory Committee Meeting

On September 10, the Project Advisory Committee (PAC) met. Discussed at this meeting were overall DSRIP program updates, the CCB Participant Survey (see above), project planning and budgeting/funds flow.

Master Services Agreement / Schedule B

The Master Services Agreement (MSA) was distributed in late June for review and execution by each Participant entity in the CCB network. As noted in previous newsletters, we are now working to finalize program plans and budgets for CCB's initiatives and specific DSRIP projects. Requirements for participation will be documented in 'Schedule B' of the MSA.

Attachments to Schedule B will be specific to different types of Participant entities, and will include both performance and reporting requirements. Schedule B will also document the funding that will be provided to support a Participant's contributions to the achievement of DSRIP goals. As discussed at the recent PAC meeting, our focus at this time is on how to make most effective use of funds available for implementation, specifically during the remainder of DY1 and through DY2.

The execution of an MSA and completion of the CCB Participant survey are essential prerequisites to the development of project-specific schedules. **If your organization has not yet executed the CCB**

Master Services Agreement, please sign and return immediately to support@ccbrooklyn.org or fax to (718) 355-9735.
